Confirmation of certification of specialised waste management companies

Dear Mr. Paßmann,

we confirm that the following company is certified as a specialised waste management company. These companies are certified pursuant to the requirements for specialised waste management companies as defined in the ordinance on specialised waste management companies of September 2nd 2016. The company became entitled to use the supervision seal by the recognised waste management association EdDE e.V.. The following company is certified for the following items pursuant to the supervision certificate:

Address:	Certificate No.:	Items:	valid until:
G.V.S. Ges. für die Verwertung von Sonderabfällen mbH & Co. KG Otto-Hahn-Straße 50 68169 Mannheim	0183	storing, treating, Trader and Broker of waste (in German language: Lagern, Behandeln, Handeln und Makeln von Abfällen)	26.04.2025

The certificate of the several items provides information on the certified kind of waste pursuant to the European waste catalogue (EWC, AVV), too.

Sincerely

Entsorgungsgemeinschaft der
Deutschen Entsorgungswirtschaft e.V.
